The Capistrano: Arroyo Vista scope of work included three two-story classroom buildings and a single story multipurpose building scheduled to be completed in two phases. The first phase, one classroom building totaling 5,760 SF was completed in August 2005. Phase II, two additional two-story buildings and the single-story 84x40 library and multipurpose building with a high pitched, colored metal roof, was completed in July.

The two-story classroom buildings feature lightweight concrete floors, interior HVAC units, custom teaching walls and elevators. Space applications include standard classrooms, computer lab, science lab, a kitchen, locker rooms, library and multipurpose rooms.
