OFFICE BUILDING

For More Information: 800.760.3784 or online at www.comarkbuilding.com

This distinctive building consists of 5,500 square feet of office space dedicated to highway research. Aesthetics were a major consideration in this project: the client wanted the building to reflect and blend with the natural beauty of the surrounding landscape. Distinctive exterior treatments of the building along with a site-built canopy and mansard captured the client's vision while maximizing functional space.
